📁 Git and Github

About Me

Fresh computer science graduate with a passion for problem-solving and a strong understanding of programming. Proven ability to work well under pressure and deliver high-quality work. Strong team player and eager to gain hands-on experience in the field. Continuously learning and expanding my knowledge in the latest technologies and trends in the industry.

Education Background

- **BSc.CSIT**
Amrit Science College, Kathmandu
April, 2021 - Present
- **Plus two (+2)**
St. Xaviers College, Maitighar, Kathmandu
April, 2018 - February, 2021
- **SEE**
Holy Vision Public School, Bharatpur, Chitwan
April, 2008 - December, 2017

Experience

- Excel Public School | CS and Maths Tutor
2021 – Present
I do a part time job apart from being a student. I teach Computer and Maths to higher secondary level students.

Projects

- Doctorsahab (A group project)
Doctorsahab connects remote areas with quality healthcare, improving health and well-being. Our innovative platform connects patients with trusted healthcare providers, combating preventable deaths caused by inadequate healthcare options.
